

Mindbend Stock Exchange

The Money Making Factory?

Instruction & Rulebook

Introduction

Now-a-days people are investing a lot and are worried about future returns they get from their investments. Stock market is one such options for people trying to build their assets and accumulate a corpus for a rainy day. One needs to have enough time and possess the market knowledge to benefit from the investment. If not, then investing in stock market is as good as speculation.

Prize Money

1st Prize: 3,000

2nd Prize: 2,000

3rd Prize: 1,000

Problem Statement

The event is a mock simulation of trading world. Participants have to buy shares of different companies and sell them to make a profit. Profits will be added to their account as well as losses will be deducted. The teams will be given virtual money and are expected to make maximum profit in the given time frame. Based on profits made, participants will be put for a further round.

General Rules

- Bring your college/student I-Card at the time of competition.
- Decision Taken by Judges will be final and binding for all.
- Any misbehaviour will lead you to disqualification from the competition.
- If less than 30 participants will be registered, then only first prize will be given and if less than 50 participants will register, only two prizes will be given.

Team Specifications

- Individual participation will be considered.
- Members of a team may be from the same college/school or different (K12/UG/PG).
- Any number of teams can participate from one college/school.
- Professionals are not allowed. Only students can participate.
- Participants are required to bring their school/college ID cards. Once registered, the same team cannot register with another name or for another model other than previously registered one.
- Organizers have the right to reject entries for any inappropriate team name.

- Organizers must be notified if a team's name has been changed.
- Team Representative: Each team must specify their Team Representative (Leader) at the time of registration on the website. All-important communications between the organizer and the registered teams will be done through their Team Representative. The Team representatives must submit valid contact details (phone no., email id, etc.) at the time of registration.
- If teams don't show up on allotted slot, they will be disqualified.

GamePlay

- Mindbend stock exchange will be two- day event beginning with market opening time of day 1 to ending with market closing time of day 2.
- Participants will be given an initial amount of 50,000 \$ in roostoo and will be asked to invest in different stocks of different companies to earn maximum possible returns from it.
- One with maximum amount of profits earned will be declared as the winner.
- Participants/Teams must invest a minimum of 17,500 \$ in order to participate. They must also invest in at least 3 separate businesses. The amount money invested in the businesses should be greater than 17,500 \$.

Judging Criteria

- Candidate with highest amount we get on summation of in hand cash and the value of portfolio will be declared as winner
- In case of tie, the participant who invested in more stocks will be declared as the winner.
- If number of stocks is also same then the one who bought more varied stocks will be declared as the winner.
