Build Your City

Craft your Curiosity and Build your Dream!

Introduction

A city or a locality in which a person lives must have some basic amenities for the proper functioning of everyday events of the residents. Some of the amenities are considered as the basic ones which necessarily should exist in a city and must have proper resources for all residents of the city. The other amenities are considered as additional luxury. A good city is a one which has proper balance of basic amenities and luxury.

Prize Money

1st Prize: 4,000
2nd Prize: 3,000
3rd Prize: 2,000

Problem Description

Round 1

A picture, sign, logo, symbol will appear on the screen or projector. The participants have to identify the displayed image. If the team guesses the correct answer from the options, then they will be awarded some points as virtual currency depending upon the difficulty level of the questions.

Round 2

The teams will have to bid on various amenities of the city and build their own city.

Event Platform

Round 1 – Online mode on Kahoot
Round 2 – Offline Mode

General Rules

➢ First Round Will Have 30 questions in which each question is to be answered in a time span of 10 seconds.
➢ After Round 1 Top 10 will be shortlisted for Round 2.
➢ Maximum and minimum criteria: Each team can purchase maximum 7 amenities and minimum 3 amenities.
➢ For the final results, each amenity has some point. (Which are to be given in the Problem Statement).
➢ If less than 30 teams will be registered, then only first prize will be given and if less than 50 teams will register, only two prizes will be given.
