Trical-Pardy

Introduction

Y'all must be aware of the Jeopardy Television show. Ever thought to participate in such a kind of event? If yes, then we are here is to fulfill your wish. Here, questions won't be random but will be related to Electrical & Electronics Engineering. And guess what, it just does not end on the quiz round, you will earn virtual money from Round 1 and have to design the circuit from the components you bought with the money.

Prize Money

1st Prize: 2,500
2nd Prize: 1,500
3rd Prize: 1,000

Problem Statement

Round 1

➢ This round will be conducted on FACTILE which will be similar to the jeopardy (buzzer round).
➢ You will get a chance to choose your favorite topic and the points for your question and the difficulty level will be according to the points you selected for the question of your topic.
➢ The points of round 1 will be carried forwarded to round 2.

Round 2

➢ This round will be conducted on EasyEDA.
➢ You will be buying the components for round 2 on the basis of the given task & your purse will be on the basis of the points you earned in round 1.
➢ You will be given a task to be conducted, where you will be designing the circuit such that it satisfies the given task & gives the correct output.
➢ The final points will be given on the basis of the working efficiency of the circuit & the time taken to implement the circuit.

General Rules

➢ Bring your college/student I-Card at the time of competition.
➢ Decision Taken by Judges will be final and binding for all.
➢ Any misbehaviour will lead you to disqualification from the competition.
➢ If less than 30 teams will be registered, then only first prize will be given and if less than 50 teams will register, only two prizes will be given.

Team Specifications

➢ Team should be of 1 to 4 members.

➢ Members of a team may be from the same college/school or different (K12/UG/PG).
➢ Any number of teams can participate from one college/school.
➢ Professionals are not allowed. Only students can participate.
➢ Participants are required to bring their school/college ID cards.
➢ Once registered, the same team cannot register with another name or for another model other than previously registered one.
➢ Every team must have a unique name that should not be offensive conflicting or inappropriate.
➢ Organizers have the right to reject entries for any inappropriate team name.
➢ Organizers must be notified if a team's name has been changed.
➢ Team Representative: Each team must specify their Team Representative (Leader) at the time of registration on the website. All important communications between the organizer and the registered teams will be done through their Team Representative. The Team representatives must submit valid contact details (phone no., email id, etc.) at the time of registration.
➢ If teams don't show up on allotted slot, they will be disqualified.
